Chair

Mr. Kim Herman
Executive Director

November 15, 2017

Jan Allen
Chief Operating officer
Impact Bioenergy

Dear Mr. Allen,

I wish to offer my hearty congratulations to you and your team at Impact Bioenergy for receiving the Clean Tech Alliance's 2017 Vision Award. This is a well-deserved recognition of Impact Bioenergy's creativity and success to date, as well as the impact your company will have in scaling up.

The Commission has long been interested in biodigester applications, and we were excited to finance our first biodigester project with Impact Bioenergy and Crooked Shed Farm earlier this year. The diverse value streams generated by your technologies demonstrate the benefits to the project owners, local communities, and our shared environment.

The Commission is proud to be a financial partner in your efforts, and we are excited to see the Vashon community-scale project come to fruition. Congratulations again on the award and we look forward to continuing to work together.

Sincerely,

A handwritten signature in blue ink that reads "Kim Herman".

Kim Herman

Executive Director
